1. This Duquesne Light account is not my account, it belongs to a tenant. I have had Multiple light bills for over 20 years and always paid all my light bills. Duquesne Light was instructed to take these lights out of my name but they insisted on giving a tenant free lights when they wouldn't put a deposit down and kept the service in my name .
2. The tenant's lease says I Don't pay the light that she provided to them. I have no lease is where I paid somebody light bill and or gas bill.Plus she told them to pout all amounts in her name

Wherefore I required a court to deny their claim \$2,000 plus for somebody else's light bill.

Wherefore I require my Verdict on 8/28/20 and or the court sua sponte to dismiss these fake fraudulent claims under perjury if the plaintiff has not appeared it has not stated a claim for Relief to be granted as held in twombly Iqbal, rule 12 B 6.

Respectfully submitted 07/27/20
